Timeline for Planning Your Campout

- **Lodgings and Activities Reservations:** Reserve your activity and meal passes early to allow us enough time to staff accordingly.
- After you have reserved your lodging and paid your deposit, you will receive a confirmation email from Doubleknot that will contain your receipt.
- **45-30 Days Prior to your Reservation Date:** Finalize numbers for all of your meal and activity passes. No changes to passes or lodgings will be allowed fewer than 30 days prior to your visit. For staff scheduling purposes it is better to reserve more passes than you think you will need. You can always reduce the numbers with no penalty.
- **21 Days Prior to your Reservation Date:** Balance must be paid in full.
- **14-10 Days Prior to your Reservation Date:** The Camp Manager will email you to confirm the details of your reservation and to provide additional information you may need for your campout. Make sure any dietary or other special needs/requests are communicated at this time or we may not be able to accommodate them.
- **7 Days Prior to your Reservation Date:** Make sure all paperwork is in order, your ATA has been approved, you have health history and required paperwork for everyone attending, you have emergency contact information for everyone, and you have a final roster of everyone attending that can be given to the camp manager upon your arrival.
- **Day of Arrival:** Check-in is from 6:00-9:00 p.m. on Friday unless other arrangements have been made in advance. Your troop/group leader must check in with the Camp Manager at the camp office before unloading your items or proceeding to your lodgings. Service units and large groups will need to have the group leader check in first with the Camp Manager, and then the group leader will be responsible for checking in the remainder of their groups. No one will be allowed to access lodgings until a group leader has checked in.
- **Friday Evening:** A mandatory leader/adult meeting is at 9:00 p.m., and each troop/group leader is required to attend. At this meeting you will select your check-out time for Sunday and discuss Saturday's activities. Service units and large groups should have a representative from each troop attend the meeting.
- **Sunday:** Check-out is from 8:00 a.m.-12:00 p.m. on Sunday. Your troop/group leader must check out with the Camp Manager before leaving camp. Failure to do this will result in the loss of your deposit. All guests must be offsite by 1:00 p.m.

If you would like to request different arrival or departure times, please contact the Camp Manager at least 2 weeks prior to your reservation date.

Volunteer Essentials, Safety Activity Checkpoints and the appropriate Lets Go! trainings are your best tools for planning a successful campout with your Girl Scouts.

Important Things To Know Before Coming To Camp

Activities

- Please reserve your activity passes as soon as you are able so that we can ensure we have the proper staff scheduled.
- When planning your campout, allow your group enough time to get from place to place and some down time. Rushing all day from activity to activity often results in tired, grumpy campers.
- See page 13 in this reservation guide for more activity information.

Adults

- The adults with your group are responsible for supervising your campers at all times. Camp staff are there to lead activities, and provide services.
- If your group includes male volunteers, separate lodging and restroom facilities must be reserved for them.
- Adults in your group may be asked to assist with some activities.
- A mandatory leader/adult meeting is at 9:00 p.m. on Friday night, and each troop/group leader is required to attend.
- Adults are welcome to purchase activity passes and participate fully but please note that the activities and equipment are primarily geared toward our youth participants.
- Safety-wise adults are not required to participate in activities with the campers.

Campfires

- The appropriate Let's Go training is required in order to cook over a fire or have a campfire at your unit.
- Camp staff will host a community camp fire in a common area on camp on Saturday evening that everyone is welcome to attend. Please bring your own s'mores supplies.
- Burn bans can change day to day and are decided by the local County Fire Marshal. We suggest you double check the burn ban status a few days before your campout.
- Visit: <https://www.traviscountytx.gov/fire-marshal/burn-ban> to check the current burn ban status for Camp Texlake or https://www.bellcountytx.com/departments/fire_marshal/burn_ban_status.php for Bluebonnet Shores.
- Camps do not provide charcoal, propane camp stoves, or other fire building equipment.
- GSCTX does not allow liquid fire starters on camp property, and they will be confiscated for safety (including but not limited to: lighter fluid, kerosene, diesel gas, etc.).
- If there is **no** burn ban, you can gather firewood at camp. The wood you gather must be dead and already on the ground. We recommend planning to bring a little bit of wood or some charcoal in case it rains, and you need to have some dry fire building material.
- If there **is** a burn ban, you will not be able to have fires in the fire rings at your units. You will be allowed to use the grills located in the units.

Check-In

- Check-in is from 6:00-9:00 p.m. on Fridays unless other arrangements have been made in advance.
- Your troop/group leader must check in first with the camp manager at the camp office before anyone can proceed to your lodgings. Your group should all try to arrive together.

Important Things To Know...cont.

- Service units and large groups will need to have their group leader check in first with the Camp Manager, and then the group leader will be responsible for checking in the remainder of their groups. No one will be allowed to access lodgings until a group leader has checked in.

Check-Out

- Check-out is from 8:00 a.m.-12:00 p.m. on Sunday.
- Your troop/group leader must check out with the Camp Manager before leaving camp. Failure to do this results in loss of deposit. All guests must be offsite by 1:00 p.m.
- Groups must sign up for a checkout time and complete all cleaning tasks prior to checkout. Cleaning supplies are provided.
- Camp staff will meet your group at your cabin/lodge and check you out. Please message a staff member if you are ready early or running late.
- Units will be checked out as a whole. If sharing a unit, decide together on a check out time. Once you check out, you will no longer have access to that building so you'll need to use the restrooms located at the front of the office if needed.

Cooking

- The appropriate Let's Go! training is required in order to cook over a fire or even to have a small campfire at your unit.
- Cooking meals may be done over a campfire, on a grill, or on a propane camp-style stove.
- No liquid fuels or accelerants are allowed on camp property.
- Unless your unit is equipped with a stove and/or microwave, all cooking should be done outside of the units.

Cancellations/Changes

- If you need to cancel your reservation, a written request (email to customercare@gsctx.org or [contact us](#) form) must be received 60 days prior to the reservation date in order to receive a full refund.
- If the request is received fewer than 60 days prior your campout date, your deposit will be forfeited.
- If the entire camp has been reserved and more than twenty-five percent of camp is released, the troop/service unit/group will forfeit their deposit regardless of when the cancellation request is received.
- Any cancellation request received fewer than 21 days prior to the campout is non-refundable and all fees paid are forfeited.
- Any changes to your reservation, including adding or removing activity & meal passes, must be completed 30 days prior to the campout date and are subject to availability. We cannot accommodate any changes after that date.
- If camp must be officially closed due to severe weather conditions, emergency repairs, etc. (may be on a last minute basis), participants (the main contact for the reservation) will be notified by phone. An alternate date may be offered or full refund given.
- No refund will be issued if camp is not officially closed and a participant, troop, group or service unit chooses not to participate.

Important Things To Know...cont.

First Aid/Medications

- Your designated first aid adult will be the person responsible for handling first aid issues and providing any first aid supplies. A camp nurse is not present for weekend reservations, and camp does not have any medical supplies on hand. If there is an emergency, immediately call the Camp Manager. If the emergency is life threatening, call **911** first and then inform the Camp Manager.
- All medications (over-the-counter and prescription) should be stored in a locked area/container. Your camp manager can help provide a space that you may use.

No Driving on Camp

- There is no driving on camp. All vehicles must remain in the designated parking area at all times and cannot be driven to the units to unload.
- Please remember when packing your gear, we are a walking camp and our units can be a bit of a distance from the parking lot.
- We have a very limited number of carts available for your use, but highly encourage you to bring a wagon with you, especially if you have younger campers.
- Please do not bring bicycles to camp.

Packing List

- You will receive a suggested packing list from your Camp Manager when they email you 2 weeks prior to your campout.

Proper Attire/Footwear

- Sturdy closed-toed shoes are required when walking around camp. Please do not wear sandals or other open-toed shoes. The terrain is rocky and there are cactus present.
- Flip flops may only be worn inside the cabins, in the shower or inside the pool enclosure. Please do not wear them to walk to the pool.
- Boots with a one inch heel are recommended for horse back riding activities but are not required.
- Sturdy water shoes or old tennis shoes that you don't mind getting wet are required for kayaking activities.

Required Paperwork

- Approved ATAs are required even when visiting a GSCTX camp property. You do not need to bring a copy to camp.
- An accurate roster reflecting who is on camp must be submitted to camp staff upon arrival. This can be the same roster you used with your ATA.
- Waivers are required for horseback riding and all ropes or climbing activities. These waivers will be sent to you by the Camp Manager 2 weeks prior to your campout or they can be found in the [Forms & Documents](#) section of our website.

Schedules

- Enjoy your time, try not to rush to activities. Plan for time to change clothes if needed and to travel between activities. Make sure you arrive at activities on time.
- Groups/troops arriving late to activities will not be given additional time.

Important Things To Know...cont.

Sharing Space

- Unless you are part of a service unit that has rented the entire camp, be aware that there will be other Girl Scout groups on camp at activities and meals along side your group. Please be a sister to every Girl Scout.

Special Accommodations

- People with disabilities or mobility issues may need assistance to access certain camp grounds as the terrain is uneven and covered with loose rocks. You must prearrange any needed special accommodations with the Camp Manager at least 2 weeks in advance of your campout.
- Special dietary needs or restrictions must also be communicated to the Camp Manager at least 2 weeks in advance or we will not be able to accommodate them.

Swimming/Lake Access

- Both camps are situated on lakes and have direct water access. Swimming and/or wading in the lake at either camp is not permitted because there is not a safely roped off designated swimming area. Supervision of all participants is required and is the responsibility of the troop/group leader.

Who Can Attend

- All campers and adults must be registered members of GSCTX before the camp outing. All adults must have a clear background check on file. **No tagalongs are permitted**, with the exception of nursing infants.
- Family style camping is only allowed with prior approval and in designated facilities.

Meals at Camp

Option 1: Meals on your own

Your Troop/Group works with the girls and volunteers to plan, bring, and cook your own campout meals over the fire, camp grill, or a propane stove. Please note that you must have the correct GSCTX certifications or equivalent to cook over a campfire. No cooking equipment or supplies are provided with this option. ONLY NON-LIQUID Fire Starters allowed - No Lighter Fluid!

Option 2: Select a meal pass

Meals will be prepared by our camp staff and served in the dining hall, cafeteria style. A salad bar will be available with dinner. We have two different meal passes to choose from:

Full Meal Pass: Saturday breakfast, lunch, dinner, and Sunday continental breakfast—\$45 per person

Saturday Only Meal Pass: Saturday lunch, and dinner. No breakfasts. - \$30 per person

Meal passes available minimum/maximum: 20*/200 Texlake 20*/125 Bluebonnet Shores

*If you are wanting to purchase less than the 20 minimum meal passes, go ahead and reserve them and we will let you know if any other groups also purchased passes at least 30 days before your campout. If no other passes have been purchased, we will cancel and refund your meal passes.

If you need to accommodate more than the available meal passes will allow, please contact the Camp Manager at least 6 weeks prior to your campout to see if additional meal passes may be added.

Special diets: With advanced notice, only gluten free, dairy free or vegetarian diets can be accommodated at this time. Please contact the Camp Manager at least 2 weeks in advance with questions.

Menu A:

Saturday Breakfast—French toast sticks, bacon, assorted cereals and seasonal fruit

Lunch—all beef hot dogs, tots or fries, and seasonal fruit

Dinner—pasta with meatballs and tomato sauce, seasonal vegetable and dessert

Sunday Breakfast—cereal, oatmeal, fruit, cottage cheese, yogurt, muffins or pastries, and granola bars

Menu B:

Saturday Breakfast—waffles, sausage, assorted cereals and seasonal fruit

Lunch—all beef hot dogs, tots or fries, and seasonal fruit

Dinner—tacos, seasonal vegetable and dessert

Sunday Breakfast—cereal, oatmeal, fruit, cottage cheese, yogurt, muffins or pastries, and granola bars

Check your camp's activity schedule to see which menu is planned
for the weekend you would like to attend.

Activities at Camp

- The activity passes are offered a-la-carte. You choose your schedule. You choose which activities you want based on time and budget. This allows more flexibility for everyone and allows us to keep the group size smaller and therefore safer at each activity. Check the activities schedules in this guide to see which activities are available on the weekend you plan to attend. Please arrive on time to ensure your group gets the full experience of the activity. Late arrivals will not be given additional time.
- Most of our special activity passes are scheduled every hour and a half, and you will be able to choose the session time that works best for you during the registration process. Be sure to check the activities schedules in this guide to see which activities are being offered the weekend you plan to attend.
- Pay close attention to the times on the activities you are choosing. Rushing from place to place all day can make for a very long day. Allow your group time to rest and relax, too.
- We will refund activity fees only if the Camp Manager needs to cancel the activity.
- We reserve the right to stop any camp staffed activity session at any time if participants are not following instructions and are being unsafe at the activity. Participants, including adults, who are not following instructions or who are acting in an unsafe manner will be asked to leave a session and no refunds will be given.
- All activities require appropriate clothing to participate. Closed-toe sturdy shoes (tennis shoes or boots for horse activities) are needed at all times, even when walking to and from the pool. No open-toed shoes please.
- Activities are designed for youth participants. Adults are welcome to purchase activity passes and join in the fun but please note that the youth are our first priority.
- Some activities have weight/height limitations.
- “Do It Yourself” activities are a great way to fill time between staffed activities, save some money or just plan for a slower weekend. Bring your own supplies or check with your Camp Manager to borrow some of ours.
 - * Hiking: Take a hike through the woods using our nature trail; follow the path all the way down to the lake or discover your own path.
 - * Scavenger Hunts: Take a tour around camp and see if you can find all the letters of the alphabet in an alphabet scavenger hunt, detect all the colors of the rainbow in a color scavenger hunt, or create your own scavenger hunt!
 - * Letterboxing/Geocaching: A fun mixture of treasure hunting, art, and navigation! Borrow the clues to the hidden boxes and see if you can find the treasures around camp!
 - * Sports and Field Games: From gaga ball to soccer to volleyball, borrow some camp sports equipment to have fun playing field games with your group or invite new friends you meet at camp to join in the fun!
 - * Crafts or SWAPS: You bring the supplies, we can help with the project ideas.
 - * Badge work, Journeys, monthly patches, games, crafts, and much, much more.....

Ask your Camp Manager what other options are available at your camp.
