

Club of Round Rock Sunrise

5th August, 2017

Girl Scouts of Central Texas

To Whom It May Concern:

The Rotary Club of Round Rock Sunrise is extremely pleased with the therapy website that Jordyn [REDACTED] has developed for the Play for All Park. **As a club we have supported the development of the site and have promoted the site with directly and in conjunction with our partners. We will continue to provide support and updates** to the pages until the City of Round Rock, Parks & Recreation Department, are able to establish control and the ongoing upkeep, which we understand will occur in the very near future.

Sincerely,

Marty Ellman
Club President 2017-18
