Why Girl Scouts?

At Girl Scouts, girls discover who they are, where their talents lie, and what they care about most. They connect with people in their communities, and they take action to change the world.

The more than 12,500 girls we serve in Central Texas—nearly 8,000 in the Austin area—are making an impact all around the community, from starting community gardens to volunteering at local senior centers. We aim to bring critical girl-led programs to all girls, including more than 1,300 who participate through community partnerships with schools and after-school programs. Girl Scouts offers every girl a chance to practice a lifetime of leadership, adventure, and success.
