How do I reserve a Girl Scout house?

Reservations for Girl Scout houses are handled through the local Service Unit. [Click here](#) for a list and description of the Girl Scout houses. Click on the location you're interested in and fill out the request form, which will be forwarded to the person who handles reservations for that Scout house.

Do you have to be a Girl Scout to reserve a Girl Scout house?

No, but use of the building for Girl Scout events is given priority.

How much does it cost to use a Girl Scout house?

Each Service Unit determines the fees it will charge for the use of its Girl Scout house, but fees are very reasonable and generally are much less than building use fees charged by other organizations in the community.

We'd like to donate some of our time for a service project for one of the camps. Whom should we contact?

We'd love for you to come spend some time working on a camp project! Each of our camps has either an on-site Ranger or a local caretaker who will work with you to coordinate a project. [Click here](#) to see our wish list of projects. If you'd like to do something not on our list, just let us know.

How can I donate building materials, equipment, and supplies to GSCTX?

We always appreciate donations to make our spaces better for the girls. Please contact Tim Swank, Director of Facilities, at 512-743-5481 before donating and let us know what you'd like to give. We want to be sure that every donation can be put to good use. If an item doesn't complement or support our long-term plans, we'd like that item to go to another organization that can best use it. Be sure to check out our [Wish List](#) items.

How do I reserve one of the camps?

We'd love for you to reserve camp and experience the joy it brings us. Visit the [Camps Page](#) for more information.

Can we reserve one of the program centers for family events or business conferences?

Each program center is available for rent by outside parties. Fees are determined by location and amenities requested. A certificate of insurance is required.

The Kodosky service center in Austin is not available for family events. The other service centers review requests on a case-by-case basis.

Contact information for each service center can be found on our [Service Center Page](#).

Why aren't maps to your camps provided on the website?

We are committed to ensuring the safety of our girls and our volunteers by restricting access to our properties and buildings. Maps are only provided to authorized users of our facilities as part of the confirmation packet.

I have other questions about your facilities. Whom should I contact?

Tim Swank, Director of Facilities, is available at 512-743-5481 or by email at tims@gsctx.org to answer any additional questions.
