

## How does the Girl Scouts For All Appreciation Series Patch Program work?

You can earn the core patch (heart-shaped with a trefoil in the center, sold in the GSCTX shop) by doing the patch program described in the document “Girl Scouts for All Appreciation Series Patch Program” on the GSFA webpage: [www.gsctx.org/gsfa](http://www.gsctx.org/gsfa)

Then, there are six (numbered) ribbons you can earn. If, for example, you do the Blind/Visually Impaired Appreciation Ribbon #1 then you go to your local craft store and buy a ribbon that is the same color as the awareness ribbon for Blindness/Visually Impaired (suggested: white). Once you have your ribbon, tie it in the top slit on the side of the heart patch and keep adding more as you work your way through the other ribbons you can earn!

### Suggested ribbon colors

Blind/Visually Impaired	White
Asthma	Silver
Autism	Puzzle Pattern or Royal Blue
Food Allergies	Teal
Deaf/Hearing Impaired	Yellow
Diabetes	Purple
