All members of an official High Adventure Troop or Group can rent items from GSCTX at no charge, however, HAT members must put down the refundable deposit for the rental.

All proceeds from rentals go towards improving outdoor programs equipment and accessibility across all areas of the GSCTX Council. Any extra donations of equipment are accepted and appreciated.

Equipment can be rented up to six months in advance. If equipment rentals conflict with Outdoor Programs after a reservation has been made, Outdoor Programs reserves the right to deny a rental request and must give the group notice within four weeks of the groups reservation date.

I, the undersigned, agree to return the equipment reserved on the above date in the same condition as received. I agree to pay for lost or damaged equipment within two weeks of the return date. I understand that I am required to leave a security deposit for items replacement cost, and if I do not pay for any lost and/or damaged items within 2 weeks, the deposit will not be refunded. I agree to return all gear clean and in the condition that I received it. I will report any repairs that need to be made or any broken gear to council upon my return. The deposit will be refunded within two weeks from the return date if all items are returned in satisfactory condition and/ or all missing/ damaged items have been paid for. I understand that the items I request are not guaranteed, as availability may be affected by other rentals or Outdoor Program use.
