The Bull Creek Foundation (BCF) is a non-profit organization dedicated to promoting a harmonious balance between nature, recreation, and sustainable economic development within the 32 square-mile Bull Creek watershed. The watershed includes high-quality ecological areas with limestone seeps, springs, and waterways; scenic cliffs and waterfalls; unique archeological and cultural features; and rare plant and animal life. The watershed’s boundaries can roughly be defined as the area inside highways 620 and 183, Mesa Drive, and part of the Bull Creek Trail and the forthcoming Bull Creek Water Quality Protection Lands trail.
