**PARENT/GUARDIAN AGREEMENT:**

My child has permission to participate in all phases of camp except as noted on her Health Forms and to be registered as a Girl Scout if she is presently a non-Girl Scout. I give Girl Scouts of Central Texas and Girl Scouts of the USA the right and permission without compensation to use photographs of my daughter and her name for publicity and public relations purposes. I have read the camp brochure and agree to cooperate with all policies. Most campers will have the opportunity to participate in high-risk activities such as swimming, canoeing, horseback riding, and/or the challenge course/obstacle course. Not all activities are available at all camps. Although care is given to greatly reduce risk involved through safety procedures, education and equipment, I understand high adventure programs are not without an element of danger. These risks include damage to property and temporary or long-term injury to the person. I understand the risk involved with this type of program, and I feel the benefits outweigh the potential hazards of the program.
