

Brownie A World of Girls Journey in a Day!

In this journey, Brownies have fun learning that stories contain clues that can be used to make the world a better place. In fun, flip-book format, one side is devoted to fictional stories that take Brownie girl characters to diverse places in the world. The other side has stories of real-life Brownies exploring their world closer to home. Through the journey's many adventures, anecdotes and activities, girls follow through on clues and enjoy a fun and challenging experience that strengthens their confidence and gives them a chance to better the world.

Girls will earn the badge shown above on the day of event and may put on their vest. We will help start the planning process of the take action project, but it is up to the Girl Scout or troop to complete it. Once the take action is completed, girls can purchase the take action patch at council and place this Journey badge on their vest.
