

Support Troop Leaders In Your Area!

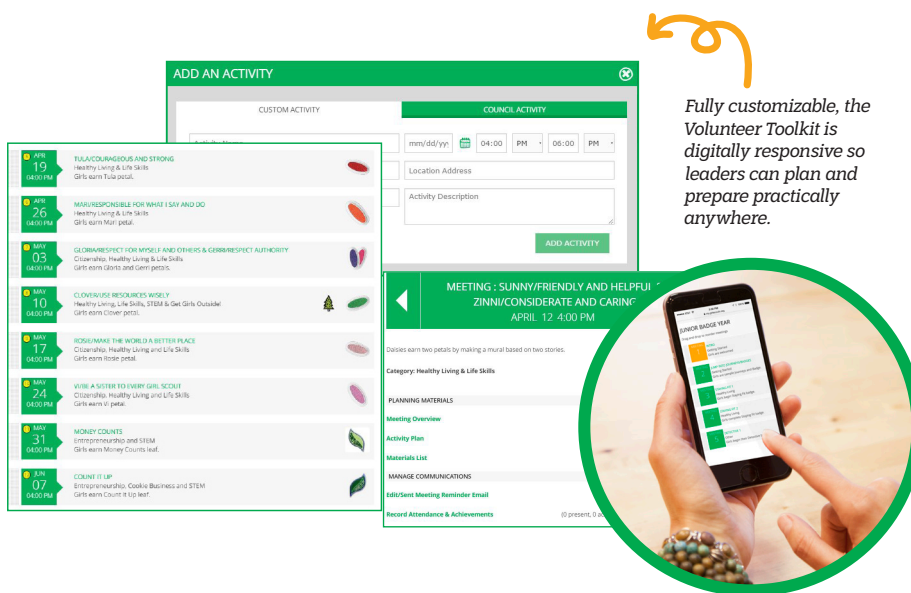

As an administrative volunteer, your guidance and support of troop leaders and coleaders is crucial to their success. And the Volunteer Toolkit (VTK) is here to help! The VTK is a digital K-5 program tool that gives troop leaders program content, troop management tools, and other resources to make running a troop easier than ever.

Troop Leaders/Coleaders Can...

- ★ Access Journey and petal/badge troop meeting plans
- ★ See step-by-step activity guides for each troop meeting
- ★ View and edit troop roster
- ★ Manage renewals for both girls and adults
- ★ Email parents with a single click
- ★ Share troop meeting activities with parents
- ★ Record troop finances and girls' meeting attendance
- ★ Log girls' petal/badge and Journey achievements
- ★ Add events and troop activities

The volunteer Toolkit now offers multi-level troop access, and coming in summer 2017 is all-new program content for STEM and Outdoors, plus *Welcome to the Daisy Flower Garden!*

Fully customizable, the Volunteer Toolkit is digitally responsive so leaders can plan and prepare practically anywhere.

“I like to direct new and experienced leaders to VTK because you can instantly access entire meeting plans for both the Journeys and Badges anytime and anywhere. You can plan your meetings for the entire year and easily customize them to fit your Troop without purchasing additional resources.”

—Kelly, Service Unit Director
