Chorus: This land is your land, This land is my land

From California to the New York Island

From the Redwood Forest, To the Gulf Stream Waters

This land was made for you and me

As I went walking that ribbon of highway

And I saw above me that endless skyway

I saw below me that golden valley

This land was made for you and me

I roamed and rambled and I followed my footsteps

To the sparkling sands of her diamond deserts

All around me a voice was a-sounding

This land was made for you and me

Make new friends, but keep the old;
One is silver and the other's gold.
A circle is round, it has no end;
That's how long I want to be your friend.

On the Loose

(This is a catch-along song)

1: Have you ever seen the sunrise, turn the sky completely red?
Have you slept beneath the moon & stars, a pine bough for your bed?
Have you sat & talked with friends, though a word was never said?
Then you're just like me and you've been on the loose

Chorus: On the loose to climb a mountain

On the loose where I am free.

On the loose to live my life the way I think my life should be

For I've only got a moment and a whole world yet to see

I'll be looking for you out there on the loose.

2: There's a path that I've be following, just to see where it might go

Many places yet to visit, many people yet to know

For in following in my dreams, I will live and I will grow

In a world that's waiting out there on the loose

Chorus

3: Do the trees in the forest, make you sit and think of love?

Does it take you twenty times or more, to count the stars above?

For I'm here now and I like it and the hours melt away,

And if I want I'll stay here another day.

Chorus

Barges

Barges, have you treasures in your hold?

Starboard shines green and port is glowing red

Mm—that it should be my last with you

Mm—and come September,

Mm—I will remember

Mm—Camping days and friendships true

Mm—and as the years go by,

Mm—I'll think of you and sigh

Mm—this is goodnight and not goodbye

Mm—I want to linger,

Mm—a little longer

Mm—a little longer here with you

On My Honor

(This is a catch-along song)

Chorus: On my honor I will try

There's a duty to be done and I say "aye"

There's a reason here for the reason above

My honor is to try, and my duty is to love

1: People don't need to know my name

If I do them any harm, then I'm to blame

If I help a friend, then I've helped me

To open my eyes that I might see

Chorus

2: I've tucked away a song or two

If you're feeling low, there's one for you

If you need a friend, then I will come

And there's plenty more where I come from

Chorus

3: Come with me where the fire burns bright

You can see even better by firelight

You can learn even more by the campfire's glow

Then you can ever learn in a year or so

Chorus

4: We've made a promise we'll always keep

We'll pray so softly before we sleep

We'll be Girl Scouts together, and when we're gone,

We'll still be trying and singing this song

Pass this Way Again

(This is a catch-along song)

Chorus: Let a light shine in your window

So I can see where I have been

And if that candle burns, and if fortune smiles

I will pass this way again

Though we're far apart, we can share the stars

And the same moon overhead,

And like that moon comes around most every night

I will pass this way again

Chorus

I can take all life will throw my way

But alone without a friend

Well I will take that path back to your door

I will pass this way again

Chorus

When my time is up, and my body lay down

And the candle fades and dims

Well throw my ashes into a restless wind

Let me pass this way again

Rose

(This is a round song)

Rose, Rose, Rose, Rose. Will I ever see thee wed?

I will marry at thy will sire, at thy will

Ding, dong, ding, dong

Wedding bells on an April morn

Carve your name on a moss-covered stone. On a moss-covered stone

Daisies in the Sun

(This is a catch-along song)

May all of your dreams

bloom like daisies in the sun.

May you always have stars in your eyes.

May you not stop running,

not until your race is won.

May you always have blue skies.

A dream is something all your own

To keep within your heart,

to build on when you're glad

or when your world's been torn apart.

A dream is something all your own

that no one else can steal.

A dream is for you to make real.

Chorus

You can share your laughter

with any stranger that you meet.

You can share your money

with any beggar on the street.

But you can only share your dreams

when love sets you free.

Why don't you share yours with me?

Chorus

Magic

(This is a catch-along song)

When I was young I thought the stars were made for wishing on

And every hole deep in a tree might hide a leprechaun

Old houses all had secret rooms, if one could find the key

I do believe in magic, I believe.

Chorus

Magic is the sun that makes a rainbow out of rain
And magic keeps the dream alive to try and try again
Magic is the love that stays when good friends have to leave
I do believe in magic, I believe.

Growing up the grown-ups said someday I'd wake to find
That magic's just a childhood dream I'd have to leave behind
Like clothes that would no longer fit and toys that I'd ignore
I'd not believe in magic anymore.

When I grew up I learned again, that much to my surprise
Magic did not fade away, it took a new disguise
A child, a friend, a smile, a song, the courage to stand tall
I do believe in magic, after all.

Chorus

Magic is the sun that makes a rainbow out of rain
And magic keeps the dream alive to try and try again
Magic is the love that stays when good friends have to leave
I do believe in magic, yes I do believe in magic,
Love is the greatest magic, after all.

Today

(This is a catch-along song)

Chorus: Today while the blossoms still cling to the vine,
I'll taste your strawberries; I'll drink your sweet wine.

A million tomorrows shall all pass away, 'ere I forget all the joy that is mine, today.

1: I'll be a dandy and I'll be a rover; you'll know who I am by the songs that I sing.

I'll feast at your table; I'll sleep in your clover; who cares what tomorrow may bring?

Chorus

2: I can't be contented with yesterday's glory; I can't live on promises winter to spring.

Today is my moment, and now is my story; I'll laugh, and I'll cry, and I'll sing.

Chorus

Green Trees

(This is a repeat-after-me song)

Green trees around us,

Blue skies above

Friends all around us,

In a world filled with love

Taps sounding softly,

Hearts beating true

As we all sa-ay,

Good night to you
