

Design the 2027 Caring for My Community Patch

Girl Scouts help their community in many ways, including:

- Organize a litter clean-up at a local park or trail
- Create care kits for shelters or hospitals
- Volunteer at a community garden or animal shelter

How do you take care of your community? Show us!

Create a patch you and your Girl Scout sisters would be proud to wear in 2027.
Use the back to create a rough draft. Draw your final design in the box below.

View contest rules and submit your design:

The winning artwork will be featured on the Caring for My Community patch for 2027.
Submissions must be received by Tuesday,
October 13, 2026, at 11:59 p.m.
