Cookie Reward Experiences

850+ Level

- Girl Scouts can choose between a day at Zoocade Hologram Adventure in Austin or a day at NASA Houston. Both include a ticket for one caregiver and Girl Scout. Transportation and meals are not provided.
- Both experiences will be paired with \$170 in Program Credits.
- Review caregiver manual for specific dates.
- If unable to make the dates given, Girl Scout should choose the prize at that level.

1000+ Celebration

- Girl Scouts who sell 1000+ package will be invited to a council hosted celebration at Kodosky Service Center in Austin.
- Specific dates will be listed in the caregiver manuals.

1250+ Level: Free Week of Standard Camp

- If choosing free week of camp, no Program Credits for previous levels will be earned, this includes at the 1000+ level.
- Program Credits are non-cumulative which means a Girl Scout will only earn at the highest level sold.

- Example, sold 1250+ packages and chose Program Credits, will earn \$425 not \$425 + \$350.
- Register for camp as soon as registration opens! Pay the deposit only to hold your spot. GSCTX will clear the balance of campers who earned a free week of standard camp once payment is due.
- Any Girl Scout that earns a free week of camp and does not register by May 1, 2026, will automatically be converted to additional \$75 in Program Credits, totaling to \$425.
- Free week of standard camp is only for Girl Scouts of Central Texas camps. Cannot be used for other council's camps. Only good for summer 2026.
