

Your Year of Adventure

Girl Scouts explore art in nature, design digital games, and change their communities. They build forever friendships, take on new adventures, and tell their stories to the world. Girl Scouts know how to dream big and have fun!

You can become a Girl Scout at any point from kindergarten through high school. Join for just \$45 for girls and \$30 for adults and choose a participation option that fits your family:

- Join an existing group of Girl Scouts and families, called a troop.
- Start your own troop with other new Girl Scouts in your area.
- Join on your own and participate individually as a Girl Scout Juliette.
