

## Grow Your Girl Scout Troop

### Lead a troop—it's easier than you think!

Troop leaders work with a team of volunteers and staff to organize meetings, camping and field trips, and coach girls through activities where they'll learn new skills and practice leadership behaviors.

You'll have a whole Girl Scout support team behind you, including comprehensive adult training experiences from in-person workshops to online webinars. A fully customizable digital planning tool and step-by-step guides are at your fingertips to help you plan and deliver meetings and activities that align to your troops' interests.

### What does a troop leader do?

- Meet with their troop once or twice a month for 1-2 hours.
- Create a safe and welcoming experience for every Girl Scout.
- Communicate with the parents/caregivers of the troop.
- Manage troop funds and finances.
- Facilitate youth-led activities and guide Girl Scouts as they work on earning badges. (We have step-by-step instructions!)
- Coordinate troop activities, community service, and field trips.

### Be part of a Girl Scout team.

A troop leader is one of many people that support a troop! Other volunteer roles include:

- Treasurer
- Cookie Program Coordinator (November – March)
- Fall Product Coordinator (September – December)
- Service Project Coordinator
- Outdoor Program Coordinator
- Refreshments Coordinator
- Craft Coordinator
- Transportation Coordinator
- Communication Coordinator
- Recognition Coordinator
